Design Contest

All Lexington One elementary & middle school students are invited to participate in the Lexington Technology Center Career Festival Poster Design Contest.

The top designs from elementary & middle school will be printed in a **2018-19 calendar** given out to over 500 guests at the LTC Career Festival on March 15, 2018. The winning students will be given a calendar and a poster print of their design to take home from the festival. ALL entries will be on display at the LTC Career Festival.

Winning designs will be chosen by a panel of judges based on creativity, purpose, and overall impact. The winners will be notified by their teachers.

Theme: What do you want to be when you grow up?

* Create your design on 8.5x11" paper (the back of this page or another piece).

The poster **must be landscape (long)** orientation. See here: →

Once you have finished your poster design, please return it to your teacher
by February 9, 2018 to send to LTC.

Remember to complete the following entry form before submitting your design.

Name: _____ Grade: _____

School: _____ Teacher: _____

Poster Title: _____

***Teachers: Please return completed designs via interoffice mail to: A. Reeside at LTC**
